IMPORTANT INFORMATION

To create a Unique Student Identifier (USI) you will need use a valid Australian form of ID from the list. Your proof of ID will allow us to make sure that your records and results always go to your USI account and not someone else's with similar details.

There might be someone who has the same name as you in the same city or town or someone with the same name might have the same date of birth.

By using some details from a form of ID when you create your USI it allows us to identify you so we can make sure your USI is truly unique to you.

If you don't have a valid form of ID from the list above please contact our friendly staff for further assistance.
