

Media Release

2 September 2020

RGIT Australia proudly announces a change in its name as: Royal Greenhill Institute of Technology.

Greenhill Education Group Pty Ltd trading as Royal **Greenhill** Institute of Technology (RGIT), earlier trading as Royal **Gurkhas** Institute of Technology has updated its trading name by introducing the word '**Greenhill**' to its title.

Royal Greenhill Institute of technology (RGIT) will continue its work as a quality Registered Training Organisation that offers a diverse range of demand driven educational services. Established in 2008, RGIT delivers qualifications in Informational Technology, Nursing, Early Childhood Education and Care (ECEC), Individual Support, Business and Management, English, Hospitality and Hospitality Management. It offers courses from Certificates to Graduate Diploma level from its Melbourne and Hobart campuses. RGIT Australia also provides varieties of short courses which include Barista Coffee Making, Coffee Art, Responsible Service of Alcohol (RSA), First Aid and Food Safety.

The name of our Institute, '**Greenhill**', serves as a wonderful definition of our vision of reaching out to new markets and continued delivery of innovative and student-centered training programs to a diverse range of communities, industry, and students. This includes RGIT ONLINE that we have recently launched to cater to the needs of student cohorts that wish to study on-line across Australia among other new educational initiatives.

RGIT Australia has three campuses – two in Melbourne's CBD and one in Hobart, Tasmania, with students from over 51 different countries gaining new skills and knowledge with the support of our highly qualified, industry experienced teaching staff.

Greenhill Education Group Pty Ltd trading as Royal Greenhill Institute of Technology (RGIT) is led by a strong and highly committed management team with Mr. Chandra Yonzon as its founder and Chief Executive Officer. RGIT Australia will continue leading the Institute to new achievements and successes. Mr. Yonzon is also the Honorary Consul General of Nepal to Victoria, Australia.

The story of Royal Greenhill Institute of Technology (RGIT) is a proud story of thousands of graduates, who are now making significant contributions to Industry within as well as outside Australia, and are assisting businesses, communities and economies worldwide. RGIT works very closely with industry and maintains a strong focus on ensuring that all training programs are responsive to industry needs and students are equipped with the most current and relevant skills and knowledge.

Melbourne Campus
