

Enrolment Policy and Procedure (International Students)

1. Purpose

The purpose of this document is to establish the administrative procedures for enrolling new and continuing students.

2. Scope

This policy applies to the enrolment of all international students in courses offered by RGIT Australia. It describes the procedures associated with:

- enrolment and re-enrolments; and
- variation to student enrolments.

3. Responsibility

The Institute's Student Services Manager will be responsible for the implementation of the policy and to ensure that staff are aware of its application and procedures.

4. Definitions

International Student: A student studying in Australia who is the holder of a valid student visa granted by the Australian Government.

Department of Home Affairs: The Department responsible for Australia's immigration and customs border policy.

Provider Registration and International Student Management System (PRISMS): A government-administered system used to process international student information.

Student Management System (SMS): A system used by RGIT Australia to manage student information.

Electronic Confirmation of Enrolment (eCOE): A student's confirmation of enrolment is issued by the Department of Home Affairs and required for the issuing of student visas for international students. The eCOEs are generated through PRISMS.
